

Privacy policy for Euro Food Brands Ltd. pursuant to Regulation (EU) 2016/679 (GDPR) and national legislation in force

1. General information

Euro Food Brands Ltd (hereinafter also referred to as the "Company" or "EFB") hereby informs you (according to you to register to the site and shop and defining you also as "user" or "data subject") the purposes and procedures of data processing (provided by you and/or as a result of processing by the Company) of which will be hold. If you purchase and register as a legal representative of a firm/company/organization, per user or data subject shall be considered the firm /company/organization represented by you (which will be the subject recorded and will purchase) and your data will be processed by the Company only to identify you as the legal representative and for the purposes specified in point 2 letter A, B, C, considering the consent to the processing of data provided (through you) by the firm/company/organization that you represent.

In addition, the consent for the purposes specified in point 2 letter A of this information, will be considered provided also by you in registering in the site your name as the legal representative of the firm/company/organization represented by you. Please see this information, also remembering to look over privacy policy of shop.illy.com. Registration allows you to not have to retype all the data every time (but only a few) and give the consents required. Please note that you are also free not to register (not so consenting to its processing) and still buy our products going into the section of this site where you can buy without register.

Please note that your will indicate only your data and/or data of the firm/company/institution represented by you.

2. Purposes

EFB may process data for the following purposes:

- A. in order to allow the **registration to the shop** recognize you as a user registered and manage the recording (without the consent for such purposes you will not sign up and the consent will also be provided, as indicated above, to illycaffè S.p.A., to illycaffè France s.a.s., to illy caffè North America Inc., to illycaffè Shanghai Co. Ltd.);
- B. where you shall purchase, to **fulfill obligations arising from the purchase contract**, and therefore also for administrative-accounting purposes and for the order management. About the credit card information is you also refer to the contents of the payment section of the site;
- C. to be compliant with the requirements pursuant to the **legislation in force, regulations or EU regulations** and for **legitimate interests** such as to assert or defend the rights of the Company.

For the purposes described in point 2 letter B and C of this information, the processing can be carried out without the consent of data subjects. Therefore, this consent is not required.

3. Mandatory nature of the provision

- A. The provision of data on the registration form marked as mandatory (those marked in bold) is necessary for the purposes specified in point 2 letter B of this information and therefore the refusal to provide it in whole or in part may make it impossible for the Company to execute the contract and then buying illycaffè products. The indication of the product to purchase and the method of payment is necessary to purchase the product (and then again for purposes specified in point 2 letter B of this information) and the lack of information will make it impossible to buy the product. As far as shipping information if different from billing you see to point 3 letter F of this information. About other data contained in the optional fields see also as shown below. Where not otherwise specified in this information data in optional fields can optionally be provided and the failure does not lead to any result other than that not to use such information (which may still be useful for the purpose in object).
- B. The provision of data (tax code or VAT number, personal details and address, billing information and purchase, other data that may be necessary in pursuance of legal obligations and legislation or regulations to enforce or exercise a right of EFB) for the purposes specified in point 2 letter C of this information is necessary and failure makes it impossible to register and/or to follow up the purchase contract.
- C. The provision of data specified as mandatory (those marked in bold) in the registration form in order of registration (point 2 letter A of this information) is optional but the absence of data will make it impossible to register the same. As far as shipping information if different from billing you see to point 3 letter F of this information. About data relating to VAT and company name will also see to point 3 letter E of this information. As far as credit card information see to point 3 letter D of this information. As for other data not marked in bold in the registration form and any other data provided, the provision is optional and failure to provide not lead to any result but to disregard such data that may be useful in some cases to better manage the order (see also refer to point 3 letter E of this information).
- D. As far as credit card information, your provision is optional and failure to make it impossible to pay by credit card.
- E. The provision of requested data in case of invoice request (such as that of the VAT and the company name) is optional, but failure to make it impossible to invoice with the data given, if required.
- F. The provision of data relating to alternative addresses to which to send the goods and/or a gift is optional but the missing data in bold will make it impossible to ship the material to the address indicated. Please note that for these activities, the user agrees on its own responsibility to obtain the consent of the subject of which indicates the data, send the goods to him address or indicate him as holder of the gift. In addition, user engages for these activities to inform the subject of which he communicates data to EFB (subject to which to send the goods or holder of the gift) that he will communicate data to EFB, so EFB can treat them (through persons in charge and data processors specified they must have knowledge to perform the tasks assigned by EFB) in order to send the material to the address and also informing him that EFB will give specific information about processing of data, putting him still aware immediately on that EFB may disclose data to carriers and shippers, and that provision of data is optional and failure to make it impossible to ship the goods to the address and/or to indicate the subject as a holder of the gift. You agree to obtain consent (where due) to communicate the data to EFB and their processing (therefore also consenting to the recording in databases EFB) by EFB for the purposes specified above in this section.
